OPEN LETTER

1 November, 1969.

To:  
POPE PAUL VI

Your Holiness!

In the name of Our Lord and Master, Jesus Christ, we Catholics earnestly entreat you, in your capacity as Pope, to spare the holy Sacrificial Mass of Christ from subversion by the unorthodox "New Ordo Missae" meal format. We further ask that this alien odd "Normative" be not condoned by postponement; but that it be altogether and permanently abolished.

We implore you, as Vicar of Christ, to save the HOLY MASS, which has already been grossly mutilated by innovations of questionable liturgy. It is utterly impossible for man to update this Gift God gave, because Truth being ageless cannot be changed!

Likewise we beg that the 19 century-old Church's custodianship of the Blessed Sacrament be put into operation to protect the most Holy Eucharist from the degradation inflicted upon it in the past decade of unhappy memory.

We beseech that the prestige, honour and dignity of this treasured Heritage of the Faithful be encyclically restored <sup>with</sup> Tradition and the Sacred which have also been forcibly removed from God's churches of late.

We will await anxiously now for a clear and firm pronouncement from the Papal Chair, condemning the callous continual martyrdom of the Mass, including the many abominable abuses obtruded upon the venerated Sanctuary of the Holy of Holies.

May the Holy Ghost guide you into making a public pronouncement assuring definite protection to the divine integrity of the Mass, as was sealed f o r e v e r by the Great Council of Trento. Furthermore the announcement is expected that this sublime act of worship be safeguarded in future by the reintroduction of the ancient fixed language of the Church in its allocution with God; thus it will be insured that God will again be glorified in His immutable magnificence and majesty as formerly, prior to the Second Vatican Council, second session.

We make this appeal in complete confidence, bearing in mind the promise of Our Lord and Saviour that He will be with us, notwithstanding the most violent onslaughts of the heretical attacks in this final eschatological nuclear age.

Faithfully in Christ, we remain,

THE CONCERNED CATHOLICS

30th October, 1969

Dear Archbishop Garner - On perusing the "New Ordo" service which will mandatorily replace the Sacrificial Mass of Christ, I wish you to know that I, as a Catholic, will, under no circumstances, participate in this Protestant meal format of worship. Likewise the forthcoming alien Normative is humanistic and ambiguous in its pantheistic invention of the sacred and traditional offeratory which incorporated the oblation, sacrificial and universal nature of the Mass. As this ecumenical experiment of commensuration grossly mutilates the very immutable essence of the Mass and the Sacrifice of the Cross, I cannot in conscience partake in this substitute for the Mass as there is and only can be one Mass. As it is the vernacularizing of the Canon has altered the significance of the words of Consecration making the validity dubious.

For this very reason I have dissociated myself from the Annalside Parish Church. Also because the false gospel of Teilhard de Chardin and the erroneous doctrines of the infamous Dutch Catechism are expounded there as elsewhere.

There is much more that can be said, but with "THE KING A-RAF" all is gone. The one consolation is that the Mass is spared ~~not~~ the affronts at present in vogue, to which the new service fits into all purposes; for the "Victim and the Sacrifice will cease to exist", as Scripture foretold. (Daniel Ch. IX - verse 27).

It is a sad, sad day to pen these words. The Crucifixion at least preceded Easter, but in our times there will be follow God's chastisement!

H. BERTHOUD.
