Dear Sir:

May I have your permission to reprint articles from your periodical Einsicht for a price?

Example { I make 5 reprints of your periodical Einsicht, and in turn, I pay you as if I bought 5 copies of your periodical at your bulk rate price +

+ (bulk rate prices are always lower than single issue) price.

I pay only when I make reprints; amount of articles/photos does not change price

When I reprint, I don't put address in credit line, however I do put for

credit line "Reprint - periodicals name (title)".

"Courtesy is substituted for "Reprint" if publication allows me to reprint for free - as some have.

Also, please send me, besides reprint permission, your bulk rate and subscription rate prices as well as a sample of your periodical.

Also, if you know of other publications (even secular - if they truly follow God) which are in English (or translated English) that might also be interested, please include their publication's title, address and if possible - editor or owner.

Please grant me permission, and thank you for the big help!

Sincerely;

Joseph Bodatz

P.S. Please tell me your subscription & bulk rate prices in American dollars.
