

Acapulco, Gro. Mex. 5- September- 1984.

Dr. Eberhard Heller .
Dr. Kurt Hiller.

My Dears Friends.

I have today many things for to say; but before all this, receive my greetings and the same way for your love family too.

1.- THE SEMINARY; Once destroy our hope what I have deposit in Rochester, N.Y. and all the seminarists disperses and you know the reason, we can't stay thinking in our sadness only, we are thinking about the seminary, what can we do, is urgent to have it, and we can't wait more time for it.

2.-THE RECTOR; The people of Guadalajara they offer to me to be the rector in Acapulco and the same place the seminary, but is imposible for me because I have many places to attend.
Every week I visit the places more close to Acapulco, the names of this places are: La Providencia (the Providence)
Los Organos (the organs)
Los Bajos (the Low-land)
El Embarcadero (the Pier)

Every month I visit by high-way to Hueycatenengo and Chilapa. Close to Oaxaca Guadalupe Victoria, Plan de Pierna, Plan de Lagarto, Arrollo nuevo, Plan de Magüey, Xochistlahuaca, La Cienega and Zacualpan. In all this places we have a lot people, they are anxious every month waiting the Holy Mass and other Sacraments. Every month too I visit to Tijuana, Ensenada, Mexicali and Hermosillo this last places the people pay my ticket by airplane. You can see now why I can't be rector and to attend other places, and I need to visit this places because this places are in danger of to be swallow by the heresy.

3.-GREAT OPPORTUNITY; The Most Rev. Bishop J. Musey send me a priest, his name is J. Manuel Ojeda A. he is mexican, he was born in Oaxaca; but his family live in the U.S.A. he was educat there, he did his studius with the Jesuit Community, he is 33 year old. He is very enthusiast and he want to work. He has a week with me, and I offer him the direction of the seminary, and he accept.

4.-THE PLACE; The group of Guadalajara want in Acapulco, and they came to see the place, the cost of this place is seven millions (mexican money) this place has pool, but it don't has courtyard, and rooms for all the seminarists.
Fifteen days after, we don't had notice of the group of Guadalajara and all the seminarists ask me when we begin the seminary? We were waiting the answer of Guadalajara, but they don't say nothin.

We don't have place now for the seminary.

5.-DISILLUSION: I colled to Guadalajara for to know the answer and they said: If is the Fr. Manuel the Rector we don't will sed our seminarists. You believe me I fell courage, because they offer me to help me, now we don't have the help (money) They don't like to the Fr. Manuel Ojeda because he did his studys with the Jesuit Community, end for me that is not good reason. They don't think the Fr. Manuel was with the Jesuit but he is traditional. He leave that community and he told wiht the Bishop Musey and he was in traditional seminary with this bishop (Musey) He was ordein by the bishop Musey. We are sad, but we must to begin.

6.-CONDITIONAL PROMISE: I remember the same day when the Bishop Ngo-Dinh Thuc did the consacreation, you promese me, you could help me to support in Munich the seminary. I hope you remember the condotion was can send a priest with the seminarists but in that day we don't had a priest for to send. But now the Fr. Manuel Ojeda he is disposed to go with the seminarists if is necessary and in few years w will have priest for to attend all the places. The Fr. Manuel speaks English and Spanish. You don't will have problem for to understand him. Will be lost for me this hope too ?

We need to know how you could help us.

7.- THESEMINARISTS: From Torreon came two engineers, one in electronic and the other one in distribution.
From Acapulco: two seminarists with high-school.
one with first year of high-school.
one with first reay of secondary.

I think when the other boys know the seminary we will have more.

The other think is two of the bishop Zamora end Martinez, they wrote in the news paper against the Trento Group (grupo de Trento) they said to prove in the of Trento there are masons and they said we are jews (jewish).
You remember what San Paul said:

"Remind your people of this, and give them a solemm warning in God's prásence not to fight over words. It does no good, but only ruins the people who listen"
" Keep away from profane and foolish discussion, which only drive people farther away from God".

I don't remember who gave the recomendation for he was consacration (Zamora). He said he to be attend about fifty thausand people and that was a lie. Actually the bishop Zamora say many lies- every where. In one of the place where the bishop Zamora is working the people say; We never have know a priest as liar as Fr. Zamora.

In a letter he said to some persons ;the engeener Anacleto gave me twenty days for to leave this place . the name of this place is Maricopa, and this is the other lie. we have a lot problems. pray for us.

I don't know what was the first impresion of the Mr. Nicolas Ma. Hettinga about this scandal, because I don't have recive his letter, no more letter for me.
I remember you and your family in my prayers, and I hope you are doing the same for me

A big huge for you.

I have think the name of our seminary.

SEMINARIO CONCILIAR TRIDENTINO

"SAN ATANASIO"

Do you like this name?.

Please answer;

Could you support the seminary in Germany ?
we are ready for to go.

O could you help us to by the house and the furnitures in Mexico?

Don't let me alone please.

Sincerly.

Bishop Moises Carmona R. D.D.
