My dear friend Dr. Eberhar Heller:

I would like to thank you very much for your kind greetings and friendship. I always knew how sincere was your friendship to our good spiritual father Mgr. Carmona and I am sure that the friends of our deceased spiritual father are also friends of mine.

Regarding your hopes of finding in me a true successor to Mgr. Carmona, I am sure that the Good Lord will help me put forth my goals, which are: to follow on the footsteps and in the same line of Mgrs. Thuc and Carmona. I will work and act with great seriousness and responsibility, both concerning the ordination of the priests and the consecration of bishops, which will be done only if extremely necessary.

In dealing with my brothers in the priesthood and also with the faithful I will always look for what is the best for all of them, for their souls, being always charitable and paternal (father-like) towards them. In correcting, always with kindness and firmness. I will make sure that the canonical rules be protected and followed as much as possible. I will spend at least two months every year in the Seminary to be able to accompany the seminarians in their development both spiritual and in their studies and to have a better judgment and knowledge in the right time of ordaining them.

It would have been a great pleasure if you had come to my Consecration, but I certainly understand your reasons. I hope to be able to meet you after Christmas, Deo volente.

I sincerely thank you for your wish in helping us in our work and also for your great efforts in bringing unity among traditional Catholics.

Once more, thanks for sending me a copy of the Declaration for unity. I will study it very seriously and will exchange opinions with Mgr. Pivarunas, with Ms. Gloria Riestra and with the Trento Priests.

May God bless you Dr. Heller, and I am at your disposition and at the disposition of all the faithful of Germany and of all Europe.

Please accept my Episcopal blessing.
