-Archbishop Lefevbre has not been  
received at cristeros home in Mexico

Dear friends in our Lord Jesus Christ:

Enclosed an open letter to Archbishop Lefevbre,  
regarding his recent trip to Mexico.

I ask you please to publish this letter in your  
publication.

Econe has no right to pretend they have any relation  
with the cristeros. My father, one of the leaders of the catho-  
lic uprising, after all civil movements failed to abolish the  
anticatholic laws, my father had to participate in the direc-  
tion of the armed rebellion against the masonic governmnet of  
Gra. Plutarco Elias Calles, supported by the masonic Govern-  
ment of United States. My father was denounced by an spy, tortu-  
red and asseinated, April 1st. 1927.

Under separate mail I sent you the book "The Criste-  
ros" by historian Antonio Rius Facius, to whom your Mr. Metser  
met in Mexico. The "cristeros" thus named because their war  
motto was ;Viva Cristo Rey (Long Live Christ King), were not  
defeated militarily, without any logistic support, with wea-  
pons taken from the govenrmet army, they rose 40,000 men in  
arms.

The pressure from the United States Government, on  
the Vatican, and the surrender in public of an Archbishop,  
Pascual Diaz S. J., obliged the 40,000 men to depose the arms.  
The principal leaders were murdered after the surrender. Howe-  
ver, Revolution had to stop. One young catholic, memmber of the  
Catholic Youth Asociation (ACJM), exchanged his life by the  
life of Gral. Alvaro Obregón, presidentelect of Mexico, and  
the best general on thosetimes.

Therefore, by our mexican history, we know of the  
treason of Bishops in difficult times. In Spain, when the arabs  
invaded our Mother Country, an Archbishop Don Opas, in the  
battle of Guadalete, joined forces with the sarracens, whom  
occupied Spain for about 6 centuries.

With the help of God, and under the protection of  
Our Lady of Guadalupe, we will continue the battle against  
the shcismatic and heretical moninian Church. The victory will  
be of our Lord Jesus Christ, when, we donot know

Please excuse typographical  
errors.

Yours in Christ the King, and Mary  
Mother of God.
