Dear friends in Our Lord Jesuschrist:

Miss Gloria Riestra has sent me a copy of your letter on the consecrations of our Bishops.

One week ago, I sent you copy of the circular sent by Fr. Barbará, where he accuses Archbishop Thuc, of asisting to all masses every-day at the Toulon Cathedral, and having consecratted bishops for the schismatic Eglise Latine of Toulouse.

Saturday 20 I sent you copy of my reply to Fr. Barbará.

As I informed to Mr. Mosert by telephone Fr. Carlos Marquette, whom acts in accordance with St. Pius X Society in Mexico, has been visiting traditionalist gropups claiming that Bishops Carmona and Zamora were consecrated by a modernist Bishop, with the new formula of consecration. I know this is not true, but it is important that you know what is going on. We had one candidate for consecration, he has become discouraged with this rumor.

In order that both of our Bishops can publish a pastoral letter, they must have all documents to defend their position. The attacks from the posconciliar Church are not as dangerous as the ones from Fr. Barbará.

We need to have the document explaining the Spain matter. Also a declaration of Archbishop Thuc expressing that he consecratted both of our Bishops with the intention and the ritual of the catholic Church, and explaining the matter of the concelebration, and any relation with the Eglise Latine de Toulouse. These documents are for public use, we cannot have them only for our own use, since the attacks are public, and once our Bishops issue their pastoral, the attacks will be stronger. We have at least one candidate in USA.

This is the situation. Please help us.

Yours in Christ the King and Mary Mother of God,

Anacleto González Flores G.
