Dear Eberhard:

We have had not news from Archbishop Thuc. Bishop Carmona wrote him. Gloria has had no news from you and I have not either.

I am worried if you have problems.

Bishops Carmona and Zamora flew to USA monday 23rd. They must have consecrated Fr. Louis Veselius.

¿Is Archbishop Thuc still ill? Will he travel to USA?

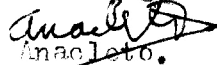

Our country is in the middle of the worst economic crisis of our history. Our Govt. cannot pay the international bankers, and was given a period of 90 days. Our peso has been devaluated 3 times this year. It was 25 to 1 US Dllr. Now it is 100 to 1 US Dllr.

We donot know what is going to happen. Inflation is 80% this year. It was 30% last one.

My office has been 7 months without work. There are no investments from industry. Money loans are at 60% and banks donot lend money.

Please let us hear from Archbishop Thuc and you.

Kindest regards,

Anacleto.
