Dear Bernhard:

Neither Gloria or the writer have received letter from you, however Fr. Cristóbal de la Cruz received the august issue of Einsicht.

Today Bishop Mussey called me by telephone. As you know, Fr. Louis Vezelis was consecrated August 24. Now Bishop Mussey asks you through me a special favor: They need a video tape with an interview with Archbishop Thuc, on which he speaks on the Church crisis, in Latin, French and if possible in English. You can send this video tape to

Bishop George Mussey

They would reproduce this video tape, which will help to Catholics to realize that Archbishop Thuc has a brilliant mind, speaks several languages, Latin, French, Italian, English, has an excellent health and sense of humour.

The magazine from St. Pius Society at Houston is attacking Archbishop Thuc as an old age man, that does not know what he is doing.

I look forward to hearing from you by letter.

As you may know, our Govt. nationalized or confiscated all banks and several hundred industries and enterprises that depended from the banks. Only God knows what will happen with our country.

However, we have worked hard for the Catholic Church,

Kindest regards,

Anacleto
