Dear Eberhard:

Thank you for your letter Sept. 2nd. I hope your wife is well now.

Gloria is sending you the curriculum vitae of Mgr. Bussey. She has asked him an article, but he said he is very busy now. I am insisting on this matter.

Gloria is writing you about the visit of Mgr. Vezelis and Mgr. Bussey. Mgr. Vezelis agreed to send you photos and information on his consecration.

Regarding the problem with Fr. James de Mazel. As we explained you one certain Brother José María in U.S., was ordained priest and bishop by the old catholics later by the greek orthodox, he sent a letter to Mgr. Zamora, that he has a message from Our Holy Mother to become a catholic bishop. Thus brother José María ordained Fr. James de Mazel, whom it is publicly known that is married and has no priestly studies in a seminary. He was helping Father Hard at Mgr. LeFebvre seminary at Armada. He left said seminary.

The problem is that Mgr. Bussey is very impressed with Fr. de Mazel and wants to ordain him as priest. Both Mgrs. Zamora and Carmona are not in favor of it. However, Mgr. Bussey wants to appeal to Archbishop Thuc.

Gloria is writing you on this subject. It would be a scandal that would be used by the enemies of the Church, specially by the lefevbrists against the Archbishop Thuc and all the Bishops. I donot understand how Mgr. Bussey does not see clear on this matter. If Brother José María and Fr. de Mazel want to repent and come back to the catholic Church, they come back as laymen not as priests, specially in these times, that so few bishops and priests are catholic.

We also have problems here in Cuernavaca Church and Santa Rosa. Father Pedro Toledo rebelled against the bishops whom forbidded him to receive money from a man that has movie business, which movies now are very immoral specially the midnight movies.

Please give my best regards to Dr. Miller, your family.

Thank you for the 100 Dlle Donation.

Yours in Christ,

Anacleto
