Dear Eberhard:

Your letter october 10 has been received.

I have sent Father Vida Elmer the consensus of the Fathers of the Church: Heretics ipso facto loose all jurisdiction and idgnity or office in the Church. This is the basis for the opinion of St. Robert Bellarmine. This was the thesis of Fr. Saenz. Therefore, this is not the opinion of St. R. Bellarmino or Fr. Saenz but the consensus patri.

Now, Paul VI became public heretic with the definition of the NOM, the religious freedom declaration, and also the declaration that other religions are means of salvation. He, Paul VI was accused in public by De Nantes, Saenz, Barbará at Rome. He Paul VI is a formal heretic. Ipso facto he cesaed to be Pope, Jure divino. Now. Luciani and Wojtyla accepted in public those heresies, they were public heretics, according the Bull of Paul IV, Cum ex apostolatus Officio, the lection of JP I and JP II is invalid, even they are considered Popes by so called Cardinlas, bishops, laity. This is our position, and we will not chage it. Gloria has written to Father Vida Elmer also explinig the case of Pope Padcal, whom prisoner of the Emperor accepted that the Emperor would name Bishops, this is a disciplinary error not a dogmatic error. Heretics loose jurisdiction in the Church, also according St. Thomas, as exposed by Fr. Saenz. and According Paul IV heretics cannot come back to the Church as Popes, Cardinals etc. They come back as priests or laymen. Therefore, please donot worry. We realize Fr. Vida Elmer cannot be consecratted Bishop, in these circunstances, Mgr. Jarmona and Zmora told us so.

Enclosed Veritas from USA. They are attacking the consecrations. We have never known whom writtes this newsletter, they hide their identity. We suspect that even they are against Paul VI, JP II and V-2, they are in agreement with the posconciliar Church. They attacked Mgr. Lefevbre when he was in a strong position, Veritas used a forged photo and an article of Congar. We suspect of them.

My best regards to Mgr. Thuc on his aniversary. We are getting ready to send 10 seminarians to Bishop Vezelis,

Kindest regards to your family, Dr. Hiller.

Anacleto
