Dear Eberhard:

Today we received a new attack from Father Barbará against Archbishop Thuc. He repeats what he had said before, changing somewhat the sequence.

He adds that it has been published in France "Lettre de la Fraternité N. D. de Bethlem, numero special october 1982, that Archbishop Thuc reordained in september 1982 in the chapel of said Fraternité, to Jean Claude Meunier, whom had been ordained by Laborié and Enos. Barbará argues that Archbishop Thuc reordained this priest without having him retract of his errors.

I called phone to Bishop Vezelis. Archbishop Thuc is in USA. We think this matter must be clarified. I am writting Bishop Vezelis also.

I enclose information that Carlos Disandro sent from Argentine. Barbará, Bar Bara is s very jewish name.

Best wishes for Xmas, regards to your family and Dr. Hiller.
