

January 12 1983.

His Excellency George Musey
Houston Texas.

Your Excellency:

Regarding the doctrinary basis of the Mexican Youth Catholic Assn., I must correct the following:

- a) These doctrinary basis were made by a group of laymen, during Pius XII. Father Bernard Bergoend was the founder of the Mexican Catholic Youth Assn. He gave the religious basis, and organized study circles or groups.
- b) Where these doctrinary basis in point 11 speak of ejidal latifundismo, they refer to the agricultura lands which are property of the government, thus controlling 2/3 of agricultural area, which only yields 1/3 of our agro production. But they control the votes of 30,000,000 peasants, with which votes and the union votes controlled by Govt. they have been in power for 60 years. Our Govt. was advised during Calles time to organize a political party, to negotiate prior to elections, and also organize a conservative opposition party to criticize Govt. This was US Ambassador Morrow advice. Our Govt. sent Ezequiel Padilla to Italy and they copied the Mussolini corporativism, where corporations, intermediate groups are controlled by state. However, Mussolini was antimasonic, ours is a totalitarian masonic corporativism.
- c) In point 27, where these doctrinary basis speak of organic democracy, they imply to accept Leo XIII doctrine in Immortale Dei, all power comes from God, and accept Quadragesimo Anno, for a corporative state but with corporations and intermediate groups free, not controlled by state. Also the organic hierarchic democracy rejects the democracy of the votes by number where an illiterate vote has same value of a man with culture and education. Where a young boy vote has same value as one of the father head of a family and the mother.
- d) 39- When referring to foreigners, it refers to the ones who come to conquer by different means our country.

These observations were made to me by Enrique Salinas, Editor of Ariete, and it is my duty to tell you the truth.

Father Bergoend and the laymen whom made these doctrinary basis were decorated and put out of the Mexican Catholic Youth Assn, under the policy of surrender to Revolution of Archbishop Luis Maria Martinez, whom as I informed, had as godmother of the crowning of our Lady of Guadalupe the divorced wife of President Ruiz Cortinez, both lived in adultery. This Archbishop gave permission to President Aleman not to kneel at time of consecration when mass was celebrated for his family in his private chapel. Now, the pontifical Church has proposed to canonize Archbishop Luis Maria Martinez.

I kiss your pastoral ring,

Anacleto
Anacleto.

PS- The legality of collective private property is asked for the religious orders. Actually Church cannot legally own anything.
