Dear Eberhard:

Enclosed article hand written by Bishop Benigno Bravo.

Also document from History of Freemasonry printed in England. It is an official document on occultism by Gral. Albert Pike, Supreme Comander of the Scottish Rite Southern Jurisdiction of USA. Gral. Pike is considered as an authority on masonic doctrine in the Masonic Encyclopedia of Albert G. McKey published in USA. Gral. Pike lived in the South of USA, he was with the southerners during the civil war, after it, he founded the Ku Klux Klan. Gral. Pike is author of "Morals and Dogma" somewhat of a canonic and domestic book on freemasonry. Freemasonry appears as conservative in USA and England, this is tactics, they joined forces with anglo-saxon protestantism to destroy the Spanish catholic Empire, which they did, and latter to weaken the Iberoamerican nations, Mexico, Central America, South America. There was one time when freemasonry made war on the British King, that was in XVIII century, against King Jorge III. They rebelled and freemason Jorge Washington made the independence war in USA, helped by freemason Lafayette and the masonic ministers of the French and Spanish Kings. They declared Jorge III insane. The masonic Constitution of USA, allows freedom for the satanic Church in San Francisco, open Church.

We look forward to hearing from you on the Barbará and Bois-menú accusations. Regards to your family and Dr. Hiller.

The secret doctrine of freemasonry is more wicked than marxism. Marxism denies existence of God. Freemasonry acknowledges God, but wants to adore Lucifer or Satan as God, equal to the true God.

Very truly yours,

Anacleto
Anacleto.

PS-Thus, the postconciliar Church is a tool of freemasonry, the new Canon Law does not excommunicate freemasons, in spite they adore Lucifer. JPI might take an anticommunist position, he is loyal to New York, he has been lented 200 million Dlls. by the Chase Manhattan Bank from David Rockefeller. People should not be deceived by a soft anticommunism of JP II. He is in agreement with freemasonry, whose secret doctrine is more perverse as doctrine than marxism.

As Gloria Riestra proved in his book "The Great Treason" Maritain asks in Aroches sans Entraves, the pardon of Lucifer, the demons and the souls in Hell. At the end of the world, Lucifer and the fallen angels and condemned souls, would be pardoned, and would go to heaven. This is the real meaning of the adulteration of the PRO MULTIS. The postconciliar Church, on which Maritain had so much influence through Paul VI, his disciple, wants the reconciliation with Lucifer. Thus, they have taken out exorcism from baptism, end of Mass etc.
