Dear Eberhard:

Under separate envelope I sent you copy of my letter to Bishop Vezelis, regarding the last attack coming from Father Barbará. I realize that the warning of Dr. Disandro regarding Father Barbará, is true, he works for the enemy.

Not 3 or 4 weeks ago, the Conciliar Church excommunicated the Catholic Bishops, and now Father Barbará joins them. This is not ignorance, neither personal resentment, they are worried, as you can see by their publication, that Kyrie Eleyson of Dra. Gestner published the letter of Mgr. Carmona, and as Barbara says, Father Strook from SAKA and others have accepted the consecrations.

Gloria has been talking by phone with Bishop Vezelis in the past, regarding the ordination of Doumier of the Chapel of Notre Dame de Blen. Mgr. Thuc denied having made it, and I believe this is the same case with the consecration of Christian Marie Batessen. I wrote Bishop Vezelis in order that through your influence with Archbishop Thuc, he makes a public statement denying false charges.

Dr. Disandro had concrete proofs which I have sent you that the name Barbara= Bar Bara is the name of the Secretary of the Jewish Associations in Argentine. When Father Barbará traveled to South America, saying he did not agree with Archbishop Lefebvre, he assisted a Mass celebrated by Father Paure, at Cordoba, Father Paure is the Director of the Seminary of Lefebvre in Argentine.

Gloria asked me to write you, perhaps by your influence with Mgr. Thuc, he produces a declaration on these matters.

In my life experience, I know that secret judaism is a dangerous enemy, it is unbelievable what they are capable of doing. They deiced Franco in Spain through Mgr. Escrive, a Jew from Barbastro Spain, they informed the Mexican government the place where my father was in clandestinity in 1927; they have collaborated with Father Barbará, it is evident, that the Bishop of Toulon has given him all possible information.

Satan and his tools are worried because of the 8 catholic bishops and the seminary. We know you have a deep faith and deep intelligence, we look forward to hearing from you on this matter on due time. The attack of Father Barbará has reached the local priests and laymen. We will do our part in Ariette. We expect to hear from you,

Kindest regards,

Anacleto
Anacleto.
