June 9 1984.

Dr. Eberhard Heller.
Anna Dandler Strasse 5/11
D-8000 Munich 60
Western Germany.

Dear Eberhard:

Your letter 3rd. instant arrived today.

The XXX seminarian, he is mexican made this confession to Mgr. Musey, we donot know why. About 12 days ago, all remaining seminarians from Mexico at Rochester scaped out, called by phone, a man of confidence flew to Rochester to bring them back, they are at Guadalajara, expecting that at Acapulco, they can be received.

Regarding Mgr. Musey, and the John Birch Society. I sent both USA bishops photostat of the brochure "The Belmont Brotherhood" by Nicholas A. Bove, where he denounces the presence of high grade freemasons in the Board of Directors of the John Birch Society. The mexican seminarian XXX does not know about this. When we sent a man of confidence to inspect Mgr. Musey Seminary and Rochester, he saw some literature of the John Birch Society at Mgr. Musey Seminary. Mgr. Musey said to me over phone that he considered that a catholic can be catholic and member of the JBS. Mgr. Musey has 3 seminarians only, and he complained that he supports the seminary with money from his mother (she has a german restaurant at Houston).

There is no reason for spiritual differences of Mgr. Zamora with Mgr. Carmona. As I wrote you, Salinas asked Mgr. Zamora in private not to omit part of the Canon of Mass, and to Mgr. Martinez not to allow women without veil and in jeans (pants) at Mass. Mgr. Carmona sent a private letter on this matter to the 3 Bishops, Bravo, Zamora and Martinez. This was used as a fulcrum by Mr. Arevalo, whom came short time ago, giving money and attentions to Mgrs. Zamora and Martinez. Arevalo persuaded them to accept that Mgr. Carmona is a jew, Gloria and myself also, and that Union Catolica Trento is masonic. Arevalo gave them the money to publish the acusation of freemasonry against Mgr. Carmona and Trento.

The reason: Both Bishops Zamora and Martinez are blinded by pride, their pride is as great as their ignorance and lack of intelligence.

The reason why Mgr. Zamora accompanied to Europe Mgr. Carmona is that Mgr. Zamora as a priest worked very hard, he did not abuse of catholics, charging them astronomic amounts for Mass, baptism, etc. He was humble, under the authority of Father Carmona as president of Trento. There are other priests here: Father Pedro Toledo, has a parish at Santa Rosa, Morelos, he is making money saying the catholic Mass, baptizing etc. Father Esteban Lavagnini. The same. Father Bernardo Flores, he says the mass half spanish, half latin. He says: How do you like MY mass? Father Esmeragdo Guerrero, he goes for money also. Therefore, Mgr. Zamora was the best at hand. Mgr. Bravo is less intelligent than Mgr. Zamora. Father Saenz is dead. He was consecrated Father Karl Altenbach and Father Ralph Siebert. Mgr. Vezelis excommunicated them. Best regards to your family.

Anacleto
Anacleto.

PS- Today newspapers have the notice of the posconcliar Cardinal of Mexico City, Corripio Ahumada giving a conference at the Spinoza Lodge of Bnai B'rith, because of the 50th. anniversary in Mexico of this masonic organization, exclusive for jews.
