Dear friends in our Lord Jesus Christ,

I write you to inform you that as Gloria Riestra has reported to you, after Fr. Joaquín Saenz death, catholic priests Fr. Carmona, Fr. Bravo, Fr. Lavagnini, Fr. Toledo and Fr. Zamora, organized the Unión Católica Trento, in alliance with a group of laymen. Gloria Riestra is secretary.

Mexican peasants, have rescued several churches in diferent towns, Acapulco, Cuernavaca, Jumiltepec, Atltlahucan, Santa Rosa, San Pablo, therefore, about 50,000 loyal catholics follow the catholic priests, around the catholic Faith and the rejection of the new montinian religion, which is heretical. For Fr. Saenz, the surviving pirsts and us, the Chair of Peter is vacant.

The purpose of this letter is to ask you to send one representative to Mexico, in order he can make a report in Europe on the fact that many Churches in small towns are in hands of the catholic priests and peasants.

Reason to ask you to come, is that we need financial help from Europe. We have rejected in public to Archbishop Lefevbre, whom is working hard to get into Mexico and destroy the catholic resistance. Archbishop Lefevbre has a very strong financial help from american naive traditionalists.

All financial help would he handled by Gloria Riestra directly, not by me. But we need to continue the battle for the Catholic Faith, against heretical montinian Church and the Archbishop Lefevbre.

Enclosed a report sent to USA, asking american cathelics not to finance Econe.

Yours in Christ the King, and Mary Mother of God,

A. González Flores G.

cc. Miss Gloria Riestra.
