Dear Eberhard:

I am back home. Have full time work starting again
soffice at home. Pls write to

Messrs. Lucille & Gorman Diehel
15626 Pleasant Dr.
Allen Park MI 48101
USA

They are translating into english our political decla-
ration of today blaming intl. bankers for economic crisis and
financing Hitler years ago. Also our challenge to the Conciliar
Church:

Either they suspend a divinis Quintero Arce, Mendez
Arceo and 2 more red Bishops.

Or we take out the rests of my father from the Santuario
de Guadalupe, to a safe place. We already have a court order.

I am going Acapulco 1 week vacations. Had not had since
jan 1984.

Pls write to Dr. Disandro, he has a new book the judeo-
christian heresy.

Yours in Christ the King,

Anacleto.
