Dear Eberhard:

Thank you for your postcard 4 instant. Congratulations for the expected new baby.

We attended Holy Week ceremonies locally with Father Flores.

I have had no details from Bishop Carmona regarding his trip to Bolivia.

Here, at the theater, since months ago, they are representing the book "In the name of God" , written by David Yallop, an english liberal catholic and investigator, he goes over the multimillion fraud of Vatican Ban, Lodge #P2, Archbishop Marcinckus, Card. Villot, and he asks worwide: Why no autopsy in the body of JP I? His conclusion is that the bankers, Card. Villot, Mrcinckus, were pointed as members of Prppaganda 2 lodge, and the lifting of automatic esxcommunication for freemasons, implies that JP2 will cover Marcinckus.

Now, it is my turn, I am out of work since end of february. Trying to go back ans insurance agent. Here, inflation is 100% and unemploy-ment 155.

Best regards,

  
Anacleto.
