April 8 1991.

Dr. Eberhard Heller.
Munich Germany

Dear Eberhard:

The battle continues. I am alone, no support from Bishop Carmona neither from my wife and children.

Yolanda my beloved wife since an incient we had for her mother forbid her to follow me to Guadalupe, Yolanda went to live with her sister on a decree of temporary separation of Bishop Carmona, whom now orders here to come with me and she refuses to hear or obey him she does not go to Mass any more. My son is lost also in vice, my daughter in materialism.

Yesterday press conference as per copy attached.

April 28 Mass for Father Saenz anniversary. Father Pantoja celebrating, he refuses press conference. Invited Hettiga Mme Hagen and I invite you or Dr. Hiller. Pls send money for news and a conference room if you can. You would stay at my home phone 7545088 and 5865538. Gloria is zero inaction a frustrated woman, only intellectual I am a captain of the Mexican people a warrior (Guerrero) by my mother.

I have office at home again. Making some money. I plan a press conference and release the material of Gary Giuffré. But no Americans allowed. Bishop McKenna OP and the silly Bishop Martinez divided San Pablo town, imposed a priest with fraud, Bishop Carmona's priest is there also. I demanded they unite to stop church falling in hands of heretics. They did. Abp Lefebvre died without retracting of slander against His Grace Bishop Thuc. I am attacking No. 1 Nazi in Mexico with penname. At Lefebvrist chapel they mentioned in public that Yolanda and me are separated since she does not go to Mass anymore. I went with an assault team helmets etc and Mexican banner and a war drum. They yelped.

Pls print the attached manifesto and the assault on Lefebvrist chapel or let us say the demand of retraction which they did. My wife is a virtuous woman who has defended our home with 9 mm pistols from an stupid throwing a stone, my son helped her with base ball bat.

Come you erupeñas to battle here for Sede Vacante. Come dear pupils of Windhorst, the Catholic center come to hear the whistle of invalid excommunications Come to victory or death...

Anacleto.
