Dr. E. Heller,
Einsicht,
Postbox 610
D-8 München - 1.
Germany.

Dear Dr Heller,

I have received the latest Einsicht in which you ask for a contribution towards its expenses. I enclose a 20 DM note which I happen to have and I hope that this will be a little bit of help.

I am very much hoping to hear from you soon in reply to my recent letter to you asking for any comments and criticisms you may have of the first issue (Letter No.1) of the publication I have started.

Yours sincerely,

N.M. Gwynne
