Dear Editor of Einsicht,

I have already received five copies of your wonderful paper. Thank you very much! Soon, you will receive some money to keep me in your list for the English or the Spanish editions, or maybe for both--if you have them as such.

By now, you should know that a good number of us priests here in the United States, are backing the archbishop and the bishops at least 100%. I have already invited the archbishop to come as soon as possible in order to settle some serious differences, which are dividing us in this area, and I am sure that in other areas of the so-called traditionalist camp. I expect that he will accept the invitation. Presently that I know, at least 10 of us priests are backing these prelates, but I am sure that there are many more that I do not know of that are forming a group and coming out with public statements of where we are as far as the true Catholic Church is concerned. As you well expect, I think that Lefebvre and his gang, will back the Polish clown instead of these five Catholic Prelates. I never was a follower of Marcel nor of his non-existent society of St. Pius X. On August 29, 1977, I wrote him a hard letter. He never answered it. Then on January of 1978, I began to circulate fliers against him especially among his fanatic followers. I did this by the thousands. So I am sure that I am given the great title by this infiltrator of being one of his worst enemies, of which I am proud to have.

I am sure that you suspect that soon, hell will break loose against the Catholic Prelates. They will get it from the members of the new catholic sect, from a number of so-called traditionalists, and from in-betweens. I will mention just a few from the so-called traditionalists who are going to attack them besides the Lefebvrite gang: Among clerymen, will be De Pauw, Nelson, de Nantes, etc.. From the laity, they will get it from Matt, Strojic, Lejeune, Veritas' staff, etc.. All these characters mentioned here are leaders of so-called traditionalists. So I pray and hope that you are ready to attack these infiltrators through means of your wonderful paper. These prelates need all the moral support that we can give them, believe me! So for this reason, I ask you to sharpen your pens, ready to defend them by writing against those who are going to do the attacking. Recently, a meeting of priests was held in Monroe, Connecticut. Eight priests attended this reunion of so-called traditional priests. Among them, there was a follower of Lefebvre--the fourth person of the Blessed Trinity and the most important for his fanatic followers. Seven of them backed up the prelates, and the follower of Lefebvre did not. So what I said of these characters years ago--Lefebvre is the worst enemy we true Catholics now have--will become evident for those who thought I was lying by saying such a nasty thing about the great(?) St. Athanasius of the xx century. Since their position is in danger, you will see the true colors of the lefebvrite camp come against these prelates. So for this reason, I ask you all to be very alert and not to be afraid of hitting them extremely hard as they truly deserve it. We should have no mercy for those who attack Christ and His Holy Spouse. As you have seen it too well, many of these attackers do not stop at anything to calumniate us. Mr. Lefebvre went so low a few years ago for not accepting the Jewish clown as a true Pope as to say publicly that we are no true Catholic if we do not accept the Polish bad clown as a true Pope. I have always consider Marcel to be a neutralizer, and that's what he really is!

Personally, I think that this is the last chance God is giving us to help Him to straighten out the mess in His Church. It is now or never! I think that never before did we have such a good chance as we have it now. There is no doubt that many problems lie ahead of us. Nevertheless, with God's graces, we will win this most important battle. What we need now besides a great deal of prayers, offered by all true Catholics, is to sit down and discuss the few essential points, which are dividing a good number of us so-called traditional priests. A few will do the right thing among us, but this is not enough. We must be 100% Catholic in order to have the blessings of Almighty God. Personally, I think that with God's graces, once we sit and discuss the things that are dividing us, we will be able to come out with a public statement of where we stand as true Catholic Clergymen. Through a means of a well written pamphlet, we can make it public why we have decided to take a stand. This statement should begin to separate the sheep from the goats as Our Divine Lord asks of us to do in this last hour. We should be very firm in our position. Those who do not accept these five prelates, should be excluded all together from our group. We should not water down any doctrines in our teachings; otherwise we will not be blessed by God. We will resemble the new catholic sect to a certain extent and go as far as some of the so-called catholic prelates tolerate to be taught, as you can see on the other side of this page. How far can these dirty characters--called prelates--descend to offend Our Lord!

Once again, thanks a million for having mailed to me the issues of Einsicht! Keep it up!

Sincerely yours in Our Divine Saviour,

N. B. Former U.S. Education Commissioner, Ernest Boyer, stated that of all Americans 18 years and younger, only 28% are white! 36% of such are black while 41% are Hispanic. (TAKEN FROM THE MOUNTAIN OF JANUARY 1982 ).

Dear Fugitive Priest:

Sorry, I don't know where Document #1 is. I just happen to get #2 from Mr. Dilys who was clearing up his desk and gave me some old literature. He recently gave me Document #3 and as soon as I get it printed you will get a copy. This one is pretty good. Montini had a couple of sons.

Now that your photo appeared in the Odessa paper, you'd better watch yourself. The Jews will try to seek you out or get you in trouble some how. I am so glad to hear you have this lady helping you. I really appreciate having the information translated in Spanish. This woman can be a big help if she would translate some other things to wake up the Spanish community.

A package of information was mailed to you which I hope will be of help. There is a very important piece of literature which I URGE you to read about our courts.

The Wanderer newspaper exposed a horrendous sex education program, now in some 16 states, which was approved by the U.S. National Catholic Conference. Of course, the Bishops know. The children are taught it is alright to have sex with animals, parents, brothers and sisters, etc. A group of parents went to the Bishops and they just sat and listened. They did nothing and will do nothing. A free cassette tape was offered by the Keep the Faith, Inc., P.O. Box 254, Montvale, N.Y. 07645 of this meeting.

If you really want more "dirt" on Montini, write to Monastery of the Apostles, P. O. Box 308, St. Jovite, P. Que., Canada, get the book "Sign of the Times" for \$6.00. They only have a few left. This monastery sent me a booklet and on the package was a label "Will Pope John Paul II reveal the Fatima Letter". Guess they don't know this pope is a British Jew. I am having this checked out with a reliable source.

Billy Graham, Queen Elizabeth and Philip and Herbert W. Armstrong (Worldwide Church of God in Pasadena) are British Jews. Some of the ministers on T.V. are deceiving people saying Christ will return to set up his kingdom here on earth for a thousand years. They mean anti-Christ. Jesus said "My kingdom is not of this world. I go to prepare a place for you. There was something else about "My Father's house has many mansions, etc." According to the Word of God in the Holy Bible (and our God KEEPS HIS WORD), this earth will be destroyed. The "end" is coming with the destruction of Jerusalem. Don't worry about Jerusalem in Israel. The (New) Jerusalem will be invaded. We are the last bastion of freedom left. There is no freedom of speech in Canada. They have all the same problems we do here. In 1974 the Canadian Intelligence Service in Flesherton, Ontario, Canada reported approximately 2,000 Mao Chinese Communists buying property in Chinese communities. They estimate there must be several hundred thousand. The Holy Bible tells us that America will be invaded "coming down from the north". Praise the Lord! The Battle of Armageddon is closer than we think. Will our Lord protect us or will we all pay the penalty for allowing the murder of unborn babies, for allowing our monies to be used to kill other Christians? Oh, if parents knew how important it is to teach children about Jesus. Every answer to every problem is in the Bible. Thank God, there is a plan Jesus left for salvation. I don't worry about anything. It's all in His hands and I know that by His grace I am "saved".

Let me know if I can help you in any way. Take care of yourself. Keep up the good fight. Occupy 'till He comes.

Dolores Hankiewies
