Dear Mrs. Kiecha,

Thank you very much for your letter.

Your idea with a new initiative for the unity of the faithful is very well. We here have had the same idea and we have prepared last year with Fr. Kner, who has visited us, a new Declaration. I send you a copy of the English version. We look for a translator in Spanish language. Fr. Kner will visit Acapulco on May 11. for the consecration of Fr. Davila. Then he also will discuss also about the new declaration.

Perhaps I have this year time to come to Mexico to talk about the situation in Mexico and how we can support the Mexican priests and the seminar.

When it is possible, please send us true by true your poems for publishing in *Evangelio* and take on in a booklet.

This view lives at once. Love I wish more.

Sincerely Yours E. Heller

P.S. Have you still a new article for *Evangelio*. Please send a translate.
