Dear Fr. Jirado,

Thank you very much for your letter from  
the 21st of October 1996, which I am sorry  
to answer just now. It is difficult to find  
benefactors here in Germany because priest like the  
Squero-Brothers have destroyed the confidence  
of the faithful. They have promised to build a  
monastery in Rome but after one year they have  
left - the faithful were lost. But instead  
of that try to support you and Fr. Espina.

Please tell me if the Bank-Collector is still

here in Germany we have problems with the  
so called "Clerical vagants" of the so called "Old  
Roman Catholic Church. They have infiltrated  
the centers. Their ordinations are normal in value  
or doubtful. If you also have problem with such  
people please write!

God bless your efforts!

Many regards also to Fr. Espina  
Sincerely Yours E. Heller
