Dear Dr. Heller,

Thank you so much for the English copies of *Einsicht* for May, which I will pass on to my friends, in the hope that they may support your excellent work. Thank you also for the German copy for June, but alas I do not understand German, however I am able to read French as well as English, so that some of it was useful to me. I am not sure if you publish the English version every month, but if you do I should like to have it for June in due course.

In the article by Father Abmayer in May, he says that the Cardinal Secretary of State is an archfreemason; could you please tell me what the evidence is to support this as it will be helpful for a further work which I am writing to prove that since the death of Pope Pius XII all the occupants of the See, were not true Popes.

Thanking you, with best wishes,

Yours sincerely,

Eugene Howson
