

Rome June 10. 1979

Dear Cris,

(Are you going to Ecône? Please try to.
It is necessary we faithful see each other
especially in this "crisis" year! "Einsicht"
is very strong. I quote Dr. Heller in my book.

? Does he send it to me or do you? So much
to talk about. Worldwide reaction against
Letter 16 must have come to + Lefebvre so
that he made the Geneva speech etc. What
next?? The Albano French priests hope the
Pope reconciles with him!!!

My book will be born about June 20-22.

I will bring a few copies to Ecône. Price
for Germany: ^{ten} ~~eleven~~ marks.

Please believe me, Cris — I am terribly sorry
that in this mountain of papers (they fill
a whole room!) I cannot find the thing you
want back. After Ecône I will begin to go
through things and find it.

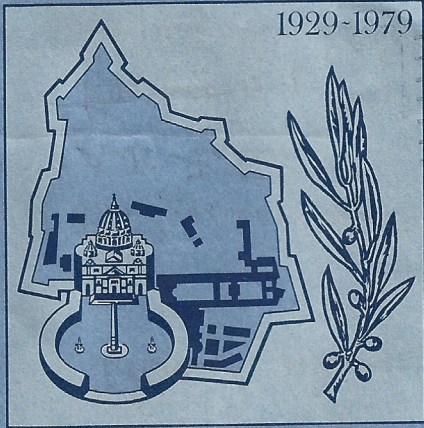

With prayers and best wishes

P.S. You see about
Anti-Fatima?

Reconciling East Europe
with the False Church whose greatest shrine
is Auschwitz?
