

Rome, Oct. 29, 1979

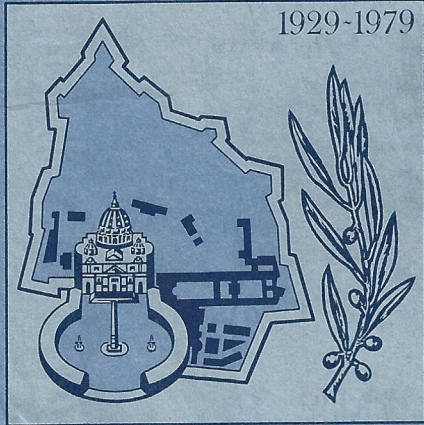

Dear Dr. Jellner,

Thank you for sending me the latest
Emission. After seeing it, though, I
must ask you to return the copy of
my article without printing it. It is
all right for me to be in the same
publication as Fr. Barborà, provided he
is independent (not under Antico)
but I cannot be published along with
Hugo Kellner, whom I know for an
hysterical old man who has called
Ponsignieu Lefebvre "ein Schwein!"

I was sorry to learn you are mixed
up with such a person. You could
do such good! Sincerely yours,

(Mrs) Mary Porting

P.S. What did you think of my book? I
hope you found it useful.
