Dear Doctor,

I am a friend since October 1974,  
of Anacleto Gonzales Flores and he advised  
me to ask you about some materials from  
your Einsicht about the consecration and  
philosophy of the Archbishop, especially if you  
have something in French or English.

I knew the esteemed Fr. Leo Friedrichs  
of Pittsburgh and worked to save from des-  
truction the St. Boniface Church there.  
We often correspond with Mr. Flores whose  
traditional faith, fervor and sound judgment  
I much admire. He knows of my discretion.

Yours,

Dr. Arcadi Nebolsine
