Dear Dr. Heller,

I have been informed that you have produced some information on ARCHBISHOP THUC, I have seen some of your articles printed in English and was impressed.

Do you still have copies of the Autobiography in French?, indeed in any language?. Any information on Mgr THUC would be most appreciated.

We have tried to get a center started, we wish to represent the thought only of Mgr Thuc, and not of those who come up with their own ideas and attach his name to them. We need information we can trust.

We would be more than willing to pay any costs.

Yours gratefully
Phillip S. NELSON.
