Dear Dr Eberhard Heller,

I trust that you are well and may receive this letter ?

I am a traditional priest engaged in missionary work here in my home country of Ireland.

I'd appreciate if you could kindly forward me a list of publications that are available from your Society. I am especially interested in publications relevant to the late Mgr Pierre Martin Ngô-dinh-Thuc and his bishops etc.

I would appreciate if you would kindly forward me 2 or 3 photographs of the same type of Mgr Ngô-dinh-Thuc that appeared in your edition of EINSICHT - août 1982, page:88. The photographs may be of the same size as of those in the book EINSICHT.

Unfortunately, I shall not be able to pay you very much for them because I am quite poor, but I would hope to be able to offer you something for them.

For your convenience I enclose an address label.

Sincerely yours in Christ and His Blessed Mother
In Conspectu Domini,

Abbé Harold James Norwood
