

8-1-1986.

Dear Dr. Heller,

I do so hope that you are well and that you may receive this letter?

It's possible that you may have received a letter from me sent to you before Christmas and that our letters may cross in the post.

1. It's appreciate if you would kindly forward me information on the kidnapping of Mgr. Pierre Martin Ngo-dinh-Thuc by Vietnamese people in order for Vietnamese 'N.O.M.' Bishops.

2. Please also send me the addresses of the following bishops, if you have them available, Mgr. Benigne BRAVO; Robert MARTINEZ

You may like to know that I agree entirely with the aims of your movement and periodical and I'd certainly appreciate receiving copies of it, back copies as well as future editions. But I would not be able to afford very much in money as I am without much income and am a traditional priest. It was thanks to Mrs. Heidi Hagen of Switzerland, whom I'm sure you will know, who introduced me to your periodical.

Looking forward to your reply as soon as possible.

Sincerely yours in Jesus and His Blessed Mother,

Abbe Harold James Norwood.
