Dear Dr Keller -
 The Catholic Church at Marambull
 is being depleted. Sister Angela is transferred to
 Rome (the brain washed) and Father Gregory Zuer is
 in hospital after a severe heart attack. A light
 will go out of the Sanctuary if he does not
 recover. He was a champion of the Priesthood,
 Father Norbert, who was not on the old-age
 list, (was viciously persecuted and deported
 to a forsaken out station because he was
 staunch to the Trent Mass) passed away in
 his sleep on Christmas Eve.

we can only call out from the depths to God &
 have mercy on us - have our faithful return

There are a handful, who call
 themselves traditionalists, lay people, who
 are ardent Lefebvrites and pay homage
 to "Pope" JP2. The future has no
 prospects with these fence-sitters as far as
 the restoration of Roman Catholicism is
 concerned.

Have you any information
 about ~~Cardinal~~ P. des Lauriers being con-
 secrated bishop by the Chinese cardinal
 who ordained the Palma da Troja pope?
 Someone wrote to me from England
 saying Fr Barbara witnessed the ceremony
 in Argentina, but there is no confirmation.

I sent a copy of the Einsicht
 to a Miss Hanses in South West Africa,
 as it appears she is in the ranks
 of the Faithful. The Church's conditions
 are fast deteriorating worldwide whilst the
 statements and activities of JP2 become more
 and more alarming. The appointments of

Salon is undelivered.
 Ratzinger, Casaroli and Lustiger give the gravest concern. Meanwhile Hans Kueng is lecturing in the States with nuns and priests wildly applauding his remarks. Nuns dressed as clowns participated at a "clown mass" in Boston while Cardinal Home of England, "masquerading in a west Indian costume as a chasuble. The New York's St. Patrick's Cathedral was besieged by 50,000 homosexuals holding 20 foot banner proclaiming "Christ was a homosexual" - Sin has reached its peak.
