

Tampico, May 7/87

Dear Dr. Heller,

I hope you, family and friends are well.

I have to give you the sad news about Bishop Adolfo Zamora. He died in Mexico City at two o'clock in the morning in May 3, last Sunday. It was Anselmo, the man that was his "counselor" last time, that was with him and gave the news to Bishop Misés Carrmona by phone the same day and Mons. Carrmona to me. I have not more about this but Mons. Carrmona is going to write to you.

Well, we all here only wish Bishop Zamora rests in peace. We pray for him. I don't know how he did what he did about the Union Treaty.

and me, but I have not any
 resentment against him. God
 knows that it is not truth
 that of the "masonry" or "Jewish
 in the Union. It is enough.
 I wish Bishop Zamora the
 heaven with all my heart! My
 mother also and all me. I
 think M. Zamora has attained
 as the lead influences, etc. Re-
 quiescant in Pace!

I can not write more now
 because I am sick of my
 eyes. It is the "retina"! Pray for
 me. I am afraid with this!

Greetings from my mo-
 ther. I have received the dollar
 sent me Mr. Miller. Thanks. I
 write him.

We have the comfort that
 there was a priest with
 Mrs. Zamora, that was with
 him last time. Father E. marand
 Guverro. R. I. P!

Sincerely yours,

Glenn Pieston
