Dear Mr. Heller:

We hope you are well  
with your dear family.  
How is little Hatherica?

I have received the check  
from Mr. Wurfleum. I am  
writing him and Mr. Heller.  
I am receiving "Einsicht". I  
think it must be good source  
important articles you  
publish them in English  
or French, for some more  
people can understand,  
I think.

Here we continue doing  
what we can. Moses Carmona  
works too much.

There are not with you  
priests that can be bishops?  
It is the most important!  
I beg you to see of convince  
them, one, to accept this.  
it is the principal question  
now, as you know. Speak  
with those you know!

I hope some <sup>news</sup> notices from  
you,

Give our regards to your  
family and kisses to little  
Hathenica!

Cordially yours

Gloria Riestra
