

Tampico Tamps., January 7, 1992

Dear Dr. Heller:

I have received the beautiful fotos; ;Thank you very much! Ana Katherina is very beautiful! I fill very much the absence of our dear spiritual father, Mgr. Carmona q.e.p.d. I will put Mgr. Carmona's foto in a frame. The landscape's foto is also beautiful! Thank you very much.

Now I know where are the two priests and sister María Trinidad. They are in Guadalajara living with Mgr. Martínez; he has a great group there and I think the priests are going a great aid for the catholics there. Father Pablo called me by phone about this, and told me he is coming to speak with me in -- Tampico next month.

I hope you have received my article "In Memoriam" about Mgr. Carmona.

I am sending with this a poem with the theme of Our Lord's meeting with the Saint Virgin -- going to the Calvary. As sometimes you publish my -- poems, if you want you can publish this. I translated it from spanish to english; ;I hope it is inteligible!.

My mother and I wish you and your dear family blessings for this new year.

Cordially in Jesus Christ,

Glavin Riestra
